

Mr. Shani Shashidharan

Contact Address: Aswathy, Umayanalloor P.O, Perayam, Kollam, Kerala, PIN-691589.

Email: shanishashidharan@gmail.com, shanishashidharan@hotmail.com

Telephone: Landline: 04742534695, Mobile: 9645096073.

Career Objectives: Biomedical Instrumentation and Fiber Optics in Industrial applications, Interactive Multimedia and Web Technologies, Embedded Systems.

Education history

Qualification	Month/Year of passing	School/University	Marks (%)
BE(E&Tc); Bachelor of Engineering (Branch: Electronics and Telecommunication, Electives: Biomedical Instrumentation and Fiber Optics Communication)	Nov 2013	Sanjay Education Society’s College of Engineering, Navalnagar, Dhule- 424318, Maharashtra/ North Maharashtra University, Jalgaon 425001, Maharashtra.	First Class (61.1%)
10+2 Science (PCMB); Senior School Certificate Examination	Sept 1996	Kendriya Vidyalaya No.1, Air Force Station, Pune-32, Maharashtra.	First Class (64%)
10th; Secondary School Examination	July 1994	Kendriya Vidyalaya No.1, Air Force Station, Pune-32, Maharashtra.	First Class (72.4%)

Technical qualifications and skills

- Professional Diploma in Interactive Multimedia and Web Technologies,** KELTRON IT Education, Kerala State Electronics Development Corporation Ltd.
- Advanced Post Graduate Diploma in Embedded System,** SMEC Automation Pvt. Ltd. & Research Development Training, Cochin. An ISO 9001:2008 certified and authorized system integrations of Schneider Electric, France.
- Computer software** - Adobe CC – 2020 Photoshop, Dreamweaver, Illustrator, Animate, After Effects, Premiere, InDesign, Microsoft Office, Corel Draw, Maya and 3D Studio Max.
- Additional languages** HTML 5, CSS3, SASS, JavaScript, jQuery, Bootstrap, SVG, Canvas, PHP, ASP, CFM, JSP, SQL, MYSQL, XML, XSLT, JSON and API.
- Embedded Software**
 - ORCAD for PCB Solutions
 - Advanced C for C programming to electronics circuits like LPC 2129, PICC Compiler, etc.
 - High Tech PICC Compiler, PIC BootPlus – TNO Industrial Technology from Microchip Technology featuring Omniscient Code Generation™, whole-program compilation technology, for Microchip Technology's 8-, 16-, and 32-bit PIC microcontroller and PIC digital signal controller architectures.
 - ARM for LPC2129 and LPC2000 Flash ISP Utility.
 - Arduino-windows: open-source electronics platform based on easy-to-use hardware and software.

Projects

- Project of BE (E&Tc) 2003 – “**SECRET CODE TRANSMISSION USING TELEPHONE LINES**”, from North Maharashtra University, Jalgaon for the year 2002-2003 – the project

namely is used to receive a secret message by decoding the frequency. In this project we can transmit secret code at any distance in whole world.

2. A small Animation Movie – “**ANTWAR**” for KELTRON IT Education, Kerala State Electronics Development Corporation Ltd for the year 2005. This project is made by the help of software – 3D Studio Max, Photoshop and Premiere Pro.
3. Websites on **Medical Tourism, Surgery Treatments and International Patient Care**,
websites: <http://www.forerunnershealthcare.com>, <http://www.tour2india4health.com>,
<http://www.indianhealthguru.com>, <http://www.indianmedguru.com>,
<http://www.fly2india4health.com>, <http://www.dheerajbojwani.com>,
<http://www.uk2india4surgery.co.uk> (website not present online),
<http://www.indiacancersurgerysite.com>, and project submitted at Forerunners Healthcare Consultants Pvt. Ltd., Arjun Hospital, Deshpandey Layout, Wardhaman Nagar, Nagpur, Maharashtra, year: 2007-2009.
4. Website projects on Health Center – “**Aesthetic Dentistry India, Cosmetic Surgery India, Spine Surgery India, Cardiac Surgery India, Obesity Surgery India, etc.**”, for Forerunners Healthcare Consultants Pvt. Ltd, Yamu Nivas, Narendra Nagar, Nagpur, Maharashtra, for the year 2011-2012, with the help of software – Dreamweaver, Photoshop, Flash, Fireworks, etc.
5. Project – “**ID Card Access**” for SMEC Automation Pvt. Ltd. & Research Development Training, Cochin, for the year 2014, with the help of Microchip PIC Programming and Interfacing with the ID card reader circuits.
6. **Frameworks and UI design in Bootstrap and CodeIgnitor**, Web Design and Development projects for Codmob Technologies LLP, Cochin. Websites: <http://www.codmob.com>,
<https://launchmydrug.com>, <http://www.vedicrx.com>, <http://www.dropofjoy.org>,
<http://www.devotee.io>, etc.
7. **Projects** (Based on Frameworks Bootstrap, CodeIgnitor and WordPress) for Infametech Solutions Pvt. Ltd, websites: <http://www.infametech.in>, <http://triangledesignbuild.in>,
<http://athaniresidency.com>, <http://lasimtours.com>, <http://getinkeralatour.com>, etc.
8. **Project** (Quilon Mobiles Website, Based on Bootstrap Framework, HTML5, CSS3, JQuery and additional JQuery plugins, website url: <https://quilonmobiles.github.io/>)
9. **Projects** (Logic Multimedia websites, based on PHP mini frame (Logic Frame), with Bootstrap, HTML5, CSS3, JavaScript, jQuery, and additional jQuery plugins such as masonry, LightGallery, slick slider, owl carousel, etc. website urls: <https://www.hotelsamudra.co.in/>,
<https://www.santamariaedu.com/>, <https://www.mubarakpaints.in/>, <https://www.deviclinic.com/>,
<https://www.mecosmetology.com/>, <https://membh.com/>, etc.

Co-Curricular Activities

1. Seminar and Paper Presentations of BE (E&Tc) 2003 – “**Computer Graphics and 3D Animation**”, for North Maharashtra University, Jalgaon, Maharashtra.
2. B-Level Certificate, National Mathematic Olympiad Contest – 1994, Delhi Association of Mathematics Teachers.
3. Certificate of Merit 1995-1996, for securing second place in 4X100 meters inter-house (under 19 boys), Kendriya Vidyalaya No.1, Air Force Station, Pune-32, Maharashtra.

Computer Software

1. **Operating Systems** – Microsoft Windows, Linux, etc.
2. **Languages** – HTML, PHP, ASP, ASPX, JSP, CFM, CSS, SASS, JavaScript, jQuery, XSLT, XML, and WML
3. **Computer software** - Adobe Dreamweaver, Adobe Flash/Animate and Edge, Microsoft Access, MYSQL and ColdFusion, Adobe Photoshop, Illustrator, InDesign, Audition, CorelDraw, Acrobat, Autodesk 3D Studio MAX, Maya, Adobe After Effects, Adobe Premiere, Sound Forge, Adobe Creative Cloud Apps, GitHub, Ruby SASS, Node.js, Grunt, Adobe Brackets, Visual Studio and Web Matrix.
4. **Website Frameworks:** Bootstrap, CodeIgniter, WordPress and Microsoft MVC frames.
5. **Embedded Software** - ORCAD for PCB Solutions, Advanced C, High Tech PICC Compiler and PIC BootPlus, ARM for LPC2129 and LPC2000 Flash ISP Utility, Arduino-windows.

Personal Data

1. **Father's Name:** Shashidharan N.
2. **Date of Birth (DOB):** 31st December 1978.
3. **Languages Known:** English, Hindi and Malayalam.
4. **Hobbies:** Multimedia and Web, 3D Modeling and animation, Swimming, Table Tennis, Music, Magazines, TV & movies.
5. **Permanent Address:** Aswathy, Umayanalloor P.O, Perayam, Kollam, Kerala, PIN-691589.
6. **Passport Details:**
 - a. Passport Number: M3729128
 - b. Date of Issue: 20/11/2005
 - c. Date of Expiry: 19/01/2024

Work Experiences

1. Worked as IT Manager, Logic Multimedia, Bishop Jerome Nagar, Kollam, Kerala, India, PIN-691001. <https://logicmultimedia.in/> (January 23, 2019 – January 23, 2020)
2. Worked as Graphic Designer at Quilon Mobiles, Institute of Mobile Phone Repairing and Technology, 2nd floor, Paris Tower, Andamukkom, Beach Road, Kollam, Kerala, India, PIN-691001. (January 22, 2019), website - <https://quilonmobiles.github.io/>
3. Worked as Web/UI Designer at Zelenium InfoTech Private Ltd, 5D, Transasia, Infopark SEZ Phase II, Cochin, India. Pin 682303. (Website: <https://www.zeleniumglobal.com/>) (June 11, 2018 to October 15, 2018)
4. Worked as Web Designer and Developer at Infametechn Solutions Pvt. Ltd. 1st Floor, Rubiyan Building, Arangath Road, Kacheripady, Kochi-18, Kerala, India. (September 18, 2017 to June 9, 2018), website - <http://www.infametechn.in>
5. Worked as Web Designer and Developer at Codmob Technologies, Infopark campus, Nirmal Infopark, Kakkanad, Kochi. www.codmob.com (July 21, 2016 to September 11, 2017)
6. Worked as Web Developer, August 3, 2015 to July 20, 2016 at Gram Technologies, USRA-62, Udarasiroman Road, Vellayambalam Trivandrum, India, Pin: 695010.
7. Worked as Faculty (Web Design and Development), October 23, 2014 to August 3, 2015, Surabhi Multimedia, V. V. Road, Vanchiyoor, Trivandrum-35.
8. Worked as Web Designer and Graphic Designer at Forerunners Healthcare Consultants Pvt. Ltd. (2007-2009 and 2011-2012), Wardhaman Nagar and Narendra Nagar, Nagpur, Maharashtra. Website: www.forerunnershealthcare.com
9. Worked as Web Designer at Vanilla Networks Pvt. Ltd. (2009-2010), Nila, Technopark, Trivandrum. website: www.supportresort.com
10. Worked as Multimedia Designer at Metamesh Technologies (April 2009-June 2009), Kappalandimukku, Kollam, Kerala.
11. Worked as Multimedia Faculty at Ima Animation Studios, Palarivattom, Cochin (2006).
12. Worked as Graphic Animator and Multimedia Faculty in the department of Multimedia and Color graph at CADD CENTER training services Pvt. Ltd., Cochin and Aluva (2005-2006).
13. Worked as Multimedia Faculty at Keltron IT Education Center, Koyikkal Jn, Kollam, Kerala (2005).

References

1. Dr. Dheeraj Bojwani, CEO & Director, Forerunners Healthcare Consultants Pvt. Ltd.
2. Mr. Dinesh Krishnan, CEO, Vanilla Networks Pvt. Ltd.
3. Mr. Sree Raj Sreenivasan, MD, Metamesh Technologies.
4. Mr. Benz, Director, CADD Center training services Pvt. Ltd.
5. Mr. Anil Kumar, Director, Keltron IT Education Center.

Declaration

I hereby declare that the given information in my resume is true to the best of my knowledge.

Date: August 1, 2020

Place: Kollam
